Subject Conrail Robbinsville Industrial Track STB AB167
1185X

Ms. Glidden,

I just wanted to confirm that I received the STB's packet concerning the abandonment proceedings for the Conrail Robbinsville Industrial Track (STB Docket number AB167, Sub. No. 1185X). On behalf of the C&A Trail Conservancy, I would like to participate in the Section 106 process. I will be following up this email with a hard copy of this positive response.

In the meantime, if you need to reach me, my cellphone number is 6090558-6405.

Thank you for your time.
